New research highlights effective education for sports coaches as key to healthier UK youngsters (</news/latest/2011/06/22June-New-research-highlights-effective-education-for-sports-coaches-as-key-to-healthier-UK-youngsters.aspx>)

Childhood obesity is a serious public health problem predicted to affect two thirds of UK children by 2050. Physical inactivity is a leading contributor to the obesity epidemic, which researchers from the University of Birmingham are seeking to combat through effective coach education.

News from School of Government and Society

Atom Feed (<http://www.birmingham.ac.uk/news/atom>)**Student profile: Jose Van Oosten, MSc International Development** (<http://www.birmingham.ac.uk/schools/government-society/teaching/student-profiles/postgraduate/idd/2012-13/jose-van-oosten-msc-idd.aspx>)

I chose to study at Birmingham because for me it offered a great balance between being at the heart of a dynamic city, having a really large campus, a really large university with lots of activities, the politics department which I'm involved in is in the top ten of the country and of course, Birmingham is in the top three of the British University sports rankings, which is a big seller for me.
