Blog: The fairness (or otherwise) of the 2015-16 local government finance settlement (http://inlogov.com/2015/01/21/the-fairness-or-otherwise-of-the-2015-16-local-government-finance-settlement)

Written by Chris Game. In choosing to announce the 2015-16 local government finance settlement just eight days before Christmas, ministers presumably hoped – as, indeed, I'd expected – that the argument about the presentation of funding and spending cut statistics for local authorities, both collectively and individually, would have died away by mid-January. However, it hasn't, which is why I too am returning to the topic, which had its importance re-emphasised several times over the past week.
