News from School of Government and Society

Atom Feed (<http://www.birmingham.ac.uk/news/government-society>)**IDD Guest seminar podcast: Corporate influence on institutional development in an emerging economy: The case of China (/schools/government-society/departments/international-development/news/2015/02/corporate-influence-on-institutional-development-in-an-emerging-economy-china.aspx)**

Speaker: Professor John Child, Birmingham Business School, University of Birmingham. This seminar examines the role of large corporations in shaping institutional development, with particular reference to China. Although institutions are potentially powerful actors in the Chinese business environment, reflecting considerable control by government and Party, there has been scope for non-Chinese corporations to influence the development of their regulations and policies.
