Undergraduate module: End of Empire: Problems of International History - Professor Scott Lucas (<http://www.birmingham.ac.uk/undergraduate/courses/govsoc/modules/year-one/end-empire.aspx>)

The aim of this course is to consider the notion of the "End of Empires" and what it means about power from 1900 to the present. That power is not only the power of empires --- past and current --- but also of those who challenge those empires and pursued their own political, social, economic, and ideological objectives. The course will intersect with ideas such as nationalism, decolonization, internationalism, and globalization.
