

Hospitality and Accommodation Services

"High quality teaching and world class research depend on great support and that's what we aim to give. We are committed to helping staff, students and visitors to the University to have a great time here."

Stuart Richards, Director of Hospitality and Accommodation Services

Hospitality and Accommodation Services (HAS) plays a unique and significant role in the quality of the student, staff and visitor experience at the University of Birmingham. As one of the largest hospitality organisations in the West Midlands, HAS provides round the clock services across diverse areas such as the University's sporting facilities, catering, cleaning, conferencing, hotel operations, day nurseries, portering, post, retail, student housing, transport, waste disposal and recycling.

HAS also provides the support for car parking systems, security, emergency planning, telecoms, and in addition the stewardship of Winterbourne House & Gardens. The HAS team are focused on improving services that enhance the student experience, provide support to academic staff in the pursuit of research and teaching excellence and provide exceptional facilities for visitors to the University.
