

Site element examples

Site elements are features that you can add to your page to make them more interesting for people using your site.

The following pages show examples of how these look within the page:

- [Video features \(/websupport/siteelements/video.aspx\)](/websupport/siteelements/video.aspx)
- [Content cupboard feature \(/websupport/siteelements/cupboard.aspx\)](/websupport/siteelements/cupboard.aspx)
- [Gallery feature \(/websupport/siteelements/gallery.aspx\)](/websupport/siteelements/gallery.aspx)
- [Right hand feature options \(/websupport/siteelements/rhoptions.aspx\)](/websupport/siteelements/rhoptions.aspx)
- [Course listing \(/websupport/siteelements/course-list.aspx\)](/websupport/siteelements/course-list.aspx)
- [Events listings \(/websupport/siteelements/event-list.aspx\)](/websupport/siteelements/event-list.aspx)
- [Events calendar \(/websupport/siteelements/event-calendar.aspx\)](/websupport/siteelements/event-calendar.aspx)
- [Staff listing \(/websupport/siteelements/list.aspx\)](/websupport/siteelements/list.aspx)
- [External RSS feed reader \(/websupport/siteelements/rss-reader.aspx\)](/websupport/siteelements/rss-reader.aspx)
- [Image scroller \(/websupport/siteelements/image-scroller.aspx\)](/websupport/siteelements/image-scroller.aspx)
- [Timeline \(/websupport/siteelements/timeline.aspx\)](/websupport/siteelements/timeline.aspx)
