

Safety and security

This page outlines the University's provision for safety and security and who you should contact with any concerns.

Safety on campus and accommodation

A student's time at university should be safe and worry-free, which is why at Birmingham we place great emphasis on the safety of our students on campus. The University's security team works 24 hours a day, 365 days a year in partnership with West Midlands Police. They cover Edgbaston and Selly Oak campuses as well as all University-owned halls of residence. All University accommodation is equipped with CCTV and we have our own Community Police Officer based in the University Centre shopping mall on campus.
