

# UNDERGRADUATE PRIZES

## FIRST YEAR

### P J GARNER UNDERGRADUATE PRIZE

£50.00

*Founded by a donation from the late Professor P J GARNER,  
School of Chemical Engineering.*

Awarded to the student in First Year Chemical Engineering who, having passed all the required subjects appropriate to the year of study, obtains the highest total marks for the Chemical Engineering subjects.

## SECOND YEAR

£50.00

*Founded by a donation from the late Professor P J GARNER,  
School of Chemical Engineering.*

Awarded to the student in who, having passed all the required subjects appropriate to the year of study, obtains the highest total marks for the Chemical Engineering subjects.

### NASH PRIZE

£100.00

*Founded by past students of the Chemical Engineering School in memory of the late  
A W NASH, MSc, Professor of Oil Engineering 1925-42*

Awarded to the student completing the second year course in Chemical Engineering who is considered to be outstanding by nature of scholastic performance, and for qualities such as athletic attainments and contributions to the student life of the University or to the community.

## FINAL YEARS (THIRD AND FOURTH)

### SIR JOHN CADMAN PRIZE IN CHEMICAL ENGINEERING

£200.00 (each)

*Founded by the late Professor Sir JOHN CADMAN and supported by British Petroleum.*

**TWO PRIZES** awarded annually to the students who, graduating in the School of Chemical Engineering:

1. shows the highest achievement in the MEng course in Chemical Engineering
2. shows the highest achievement in the BEng course in Chemical Engineering

### GARNER PRIZE

£40.00

*Founded by ESSO Co Ltd., to commemorate the services of Professor F H GARNER,  
Professor of Chemical Engineering 1942-1960.*

Awarded to the best student graduating in the School of Chemical Engineering in Chemical Engineering with Management related topics.

(Continued)

**INSTITUTION OF PLANT ENGINEERS PRIZE  
FOR CHEMICAL ENGINEERING DESIGN**

**£150.00**

***Founded by a donation from the BUREAU OF ENGINEERING SURVEYORS.***

Awarded for the best performance by a student of Chemical Engineering in the Final Design Project, including leadership qualities and team working.

**W J HAFFENDEN PRIZE**

**£150.00**

***Provided from subscriptions made by colleagues and friends of the late Dr WALLY HAFFENDEN, one of the first graduates in Minerals Engineering (later combined with Chemical Engineering)***

Awarded to the graduating student in the School of Chemical Engineering who has shown special merit in research-related topics; particular regard will be paid to activities concerned with extractive metallurgy, if appropriate, also quality of character and contribution to the student life of the University or community shall be taken into account.

**NEVILLE MOSS MEMORIAL PRIZE**

**£180.00**

***Provided out of the proceeds of a bequest by the late Professor NEVILLE MOSS and from subscriptions made by his friends.***

Awarded to the student in the School of Chemical Engineering considered to be outstanding by virtue not only of scholastic and athletic achievements, but also of quality of character and contribution to the student life of the University.

**ROSS PRIZE**

**£70.00**

***Founded from the proceeds of a donation by Professor T K ROSS, University of Manchester Institute of Science and Technology, (previously a lecturer at Birmingham, and later an external examiner).***

Awarded to the graduating student in the School of Chemical Engineering who has made the most progress since the end of their second year.

**KAISER-WEST DESIGN AWARD**

**£600.00**

***Founded by the Kaiser Trust for five years until 2015; further support may be committed\*.***

The award is presented to the best Chemical Engineering design project team each year. This is the team which achieves the highest overall mark.

\*Dr GEORGE WEST is a graduate of this School. He has a family connection with the Kaiser Trust, which supports suitable educational activities.

**ENGINEERING UNDERGRADUATE SCHOLARSHIPS**

**£250.00**

***Funded by the University***

Two per year, awarded to students not in the final year for academic excellence.

**ENGINEERING UNDERGRADUATE PRIZES**

**£40.00**

***Funded by the University***

Two per year, awarded for academic excellence.

**Students cannot be awarded both a prize and a scholarship.**

**\*The above prize values are based on 2010-2011 and therefore may vary.**
