

## **October 2012 Newsletter**

### **New Starters**

Welcome to Eric Hughes working with Neil Rowson, Liam Grover and the Welding Institute and Riten Solanki working with Stuart Blackburn and Rolls Royce.

### **Module Timetable**

If you have not already done so please select which modules you wish to take this next academic year and send your list to John and Kathleen as a matter of urgency.

### **Outreach Activities Report**

Please submit your contribution to the Outreach report for EPSRC before Friday 12<sup>th</sup> October. Please note that this will be sent to all industrial and academic supervisors, so there may be questions asked if your report is not included!

### **Congratulations**

Congratulations to Steven Hall who has submitted his soft bound thesis within 4 years, hence avoiding the fee for an extra year which you would be liable for. This is currently £175. Steven will start working with Unilever Vlaardingen in December. Congratulations also to David Garrec who now has a job with Mars in Leeds, starting in the next few weeks.

### **Annual Conference**

This will take place during the Easter break 2013. The date will be set at the IMC later this month. Kathleen will again be assisting me with the organisation, so please respond promptly to her requests.
