

December 2012 Newsletter

Annual Conference – Presentation/Poster Titles

A reminder that your talk title is required before the end of the week. Kathleen is allocating the better time slots to those who send their titles first. The Wednesday and graveyard slots will go to those who reply late.

Ethics Training

Please complete your online Ethics Course as requested as soon as possible. Penalties related to alcohol will be introduced for those who do not complete this!

Exam Timetable

Please see below for the Exam Timetable for January 2013

Day	Module	Time	Location
Monday 7 th January 2013	Process Engineering Fundamentals	0930-1130	Room 111 & 112 Chem Eng

Thursday 10 th January 2013	Bioreaction Engineering	1400-1600	Room 111
Friday 11 th January 2013	Colloid Chemistry and Rheology	0930-1230	Room 111 & 112 Chem Eng

Outreach Activities

The next Outreach Report is due to be submitted in October 2013. However, Kathleen is happy to receive your reports of outreach activities as they are undertaken.

IChemE Dinner

Once again the School sponsored the Food and Drink Award at the IChemE Annual Dinner. Professor Richard Williams joined me and several EngDs at this Event.

Christmas Holiday

Please remember to inform both academic and industrial supervisors of your plans for taking holiday over Christmas.
