

## **November 2014 Newsletter**

### **New Starters**

Over the last 2 months we have had 7 new starters:

- Aderomola Sadiq working with BASF in Germany and Dr. Phil Cox
- Andrew Gray working with P&G (Newcastle) and Prof Zhibing Zhang
- Cyrus Espinoza working with Unilever Port Sunlight and Prof Mark Simmons
- Elliot Douse working with Rolls-Royce and Prof Stuart Blackburn
- Jessica Tuck working with P&G (Cincinnati) and Prof Peter Fryer
- Maxwell Dawes working with AWE and Prof Stuart Blackburn
- Charles Moore-Kelly working with PALL and Prof Owen Thomas

### **Conference**

The 2015 Conference will be held in the School of Chemical Engineering between Tuesday 31<sup>st</sup> March and Wednesday 1<sup>st</sup> April 2015. Various requests will be sent out by Kathleen so please respond within the deadlines.

The Conference Dinner will be held in the City Centre on the evening of Tuesday 31<sup>st</sup> March, the venue has not yet been selected.

There will also be an Autumn Event which will be a School-wide Event. This will likely include all EngDs and PhD students presenting a poster and will coincide with the 2<sup>nd</sup> IMC Meeting usually held at this time. This will promote research within the School and it is intended to have an invited speaker.

### **Exams**

The January Exam Timetable has not yet been finalised and it will be emailed to you all when it is ready.

### **Congratulations**

Congratulations to Jon Morrison, Dave Ryan and Victor Garcia for submitting their theses. Dave Ryan and Victor Garcia will have their vivas in December 2014.
