

March 2011 Newsletter

A short Newsletter this month as you should all be tied up with completing the Conference Abstract and/or your Report and/or your Presentation/Elevator Pitch.

Exam Results

You should have received a formal report outlining your results to date. Please check and get back to John Hooper if you have any corrections.

EPSRC Review

Please forward to Richard as soon as possible, any publications, conference papers you have given in the last two years, plus if you have won any prizes can you also let him know asap.

Easter

Remember to inform your academic and industrial supervisors about your holiday plans. Please note Richard will be away in the States for the first week in May.

Abstracts

The deadline for your Abstract for the Conference is **Friday 18th March**. Please refer to Kathleen's email of 14th January for instructions. Please keep to the required format or your abstract will be returned to you. Please contact Kathleen if you wish to check anything regarding your abstract.

All Conference Abstracts will be added to the EngD website, unless you specifically request that we do not. Please check with your Industrial Supervisors if they are happy for this to be done.

Student Rep

A reminder that you will be electing your Student Rep at the Conference. As soon as possible would you please nominate and second a candidate to represent your views on the Industrial Management Committee.
