

May Newsletter

Exams

If you haven't received an exam timetable for the May exams contact Dave A.S.A.P

Authorship

Just to clarify who should be acknowledged on posters and presentations. It is normal academic practice to list your industrial supervisor on all papers, posters in fact anything you release, also please don't forget to consult the academics when you put together a poster/report.

Summer Holiday

Please note Dr Greenwood is away in the States for a fortnight so please contact Dave or Lynn if you have any admin issues. Also please remember to discuss your holiday plans with your supervisors, don't just disappear.

Another Graduate

Matthew Slinn passed his viva last week, so we now have 3 research engineers graduating this year.
