

## **September 08 Newsletter**

### Module Choice

Thank you to all those who have completed their module choice forms, there are a few people yet to complete theirs, can I remind everybody that these need to be in by next Monday (15<sup>th</sup>) at the latest. If your choices are not in by this date you risk not getting a place on the modules you have chosen due to over subscription.

### Reports

A reminder to those who under the new reporting structure are in the fifth report stage, reports are due in September 30<sup>th</sup> can you please send updated plans and chapters to Dr. Greenwood. Everybody else has until April 1<sup>st</sup> for their reports. Can you all please complete and attach the report release form which can be found on the website
