

Newsletter November 08

New Students

A big welcome to Ardeep working with Imerys, Dave with Cargill, Steven with Unilever and Carl with P&G. We also have a new student, Paul who will also be starting with P&G next month.

Conference

The date of the annual conference will be 31st March – April 1st with the conference dinner on the 30th March. We are on the top floor of staff house per usual. Invites will be sent out to your industrial supervisors in January.

Modules

You should have received an email about the marketing & Business methods modules swapping places due to Dr Rowson's continued illness, so please confirm with Dr Greenwood if this affects you.

Other News

Matt Slinn has successfully completed his corrections so he should graduate at Christmas. Ajay, Iwan & John Ritchie are next in line for viva's.

Report

Given that the conference is happening on the next submission day (1st April) I will need to move it forward by a week, again details will follow in the New Year.

U.K PTF

This event will be held in Birmingham on 1-2 July, you will be sent a flyer shortly if you could please print out &/or email to your colleagues.
