Thesis Workshop, December 17th & 18th

For those students in their final year Dr Greenwood will be running a two day (2 x half day) workshop on the regulations you need to know for thesis submission. A timetable will be sent out shortly.

Annual Conference

The dates for the annual conference will be 19-21 April. Please block this off in your diary as everyone is expected to attend. Please inform your industrial supervisors as invites will go out formally in January. We will also be contacting you for a talk title early in the new year followed by an abstract to be submitted a month before, so please start thinking about what you will be allowed to present and calculate when you need to submit it to your sponsoring company for approval.

Provisional Examination Timetable, January 2010

We expect the final timetable to be released before Christmas so please ensure you are free for the 2nd and 3rd weeks of January. The provisional exam timetable is as follows:
