

February Newsletter

Welcome to this months Newsletter covering the following items:

- **Welcome to New Starters**
- **Upcoming Modules**
- **Annual Conference: *abstract preparation and please confirm and submit dinner requirements***

Welcome to New Starters

To begin, welcome to Christopher Hewitt who has just joined the EngD Programme and will be working with P&G researching Reliability Losses Intransfer and Packing of Particulate Materials.

Upcoming Modules

Modules Query by date range				
Dates	Module Code	Module Title	Credits	School
01/02/2010	04 20706	Business Methods, Economics and Strategy	10	Chemical Engineering
01/02/2010	04 19768	Bioseparations 2 (following on from Bioseparations 1)	20	Chemical Engineering
08/02/2010	04 18526	From Bench to Market: the Development of Pharmaceutical Drug Products	10	Chemical Engineering
15/02/2010	04 18515	Polymer Science and Soft Matter	10	Chemical Engineering
15/02/2010	04 15494	Developing Food Structure Through Thermal Processing	10	Chemical Engineering
22/02/2010	04 19682	LM Effective Project Management	10	Chemical Engineering
01/03/2010	04 20082	Mathematical Modelling of Time-dependent Processes	10	Chemical Engineering
08/03/2010	04 15348	Food Flavour	10	Chemical Engineering
08/03/2010	04 19688	Materials for Hydrogen and Fuel Cell Technologies	10	Chemical Engineering
15/03/2010	04 15492	Powder Handling and Processing	10	Chemical Engineering
22/03/2010	04 18527	Design and Development of Drug Delivery Systems	10	Chemical Engineering

7th Annual Formulation Engineering Conference

First years need to prepare a poster plus a two minute elevator pitch (so a powerpoint presentation of no more than 3 slides). Please ensure your industrial supervisor confirms if he/she can also attend.

For those preparing abstracts for the conference, if you have not already spoken with your industrial supervisor please do so, to ensure you can get your abstract approved in plenty of time to meet the submission deadline of the 19th March. Also, when preparing abstracts please consult the template which you need to copy. Contact John Hooper j.c.hooper@bham.ac.uk if you didn't receive this.

The invitation and copy of the programme were emailed on Tuesday 2nd February. If you have not already replied confirming whether you will be attending the dinner together with your preferred menu, then please do so as soon as possible.

Exams

External examiner, Paul Luckham will be visiting on Wednesday 10th February so we will be writing to you shortly to confirm your module marks and the number of modules completed.
