

MSOR CONNECTIONS

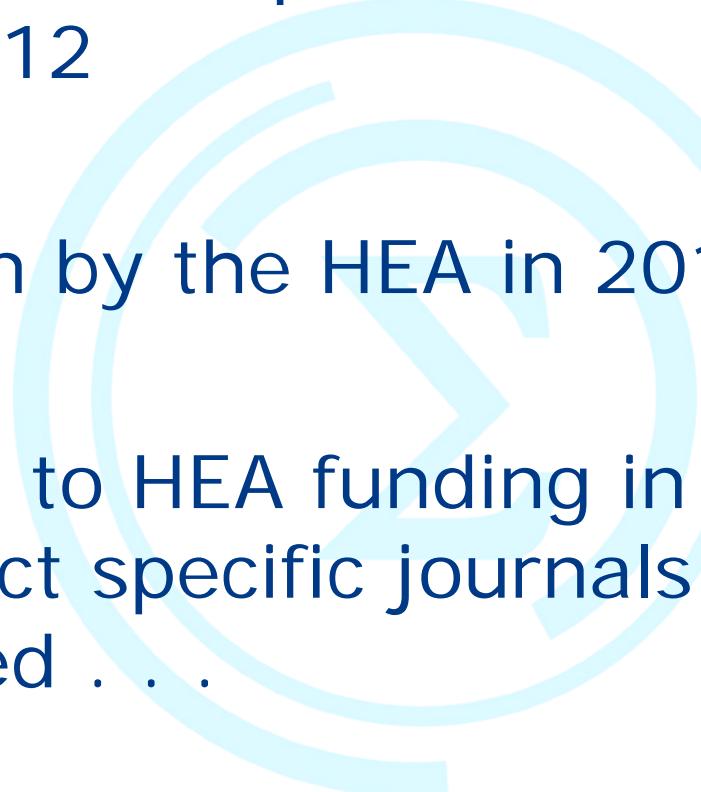

Re-connecting the
MSOR Community

sigma Σ

Background

- MSOR Network published Connections 2001-2012
- Taken on by the HEA in 2012
- Changes to HEA funding in 2013-14 meant all subject specific journals were no longer supported . . .

Connections continues!

- First (Next) Issue: 8-9th September
[CETL-MSOR Conference, University of Greenwich]
- **Submission Deadline: 15th June**
- One volume per academic year with 3 issues per volume.

Who is Connections for?

- Anyone involved in teaching, learning, assessment and support of MSOR in HE.

For example:

- Lecturers in MSOR
- Mathematics Support Tutors
- Education developers
- Etc. . . .

What will be considered?

- Submissions welcomed!!
- Articles will include:
 - case studies; opinion pieces; research articles; student/co-authored articles; resource reviews; short updates (e.g. policy or workshop reports) etc.
- If unsure, please contact us!
