UNIVERSITY OF  
BIRMINGHAM

Dear Sir/Madam,

Short Project Title: **RePROM**

Full Title of Project: The use of an electronic Patient-Reported Outcome Measure in the Management of Patients with Advanced Chronic Kidney Disease – The RePROM Pilot Trial.

We would like to invite you to take part in a research study at the Queen Elizabeth Hospital, Birmingham. The project is being led by researchers at the University of Birmingham. Before you decide, we would like you to understand why the research is being done and what it would involve for you.

Please take time to read the attached information sheet, which tells you the purpose of this study and what will happen to you if you decide to take part.

A renal research nurse at the Queen Elizabeth Hospital will contact you shortly (either by phone, or face-to-face in clinic) to find out if you are interested in taking part in the study and answer any questions you might have.

Yours sincerely,
