Significance of the research

Funded by the Economic and Social Research Council, “The Economic Impacts of Brexit on the UK, its Regions, its Cities and its Sectors” project started in April 2017 and is part of a series of 25 projects funded by ESRC to support the initiative [The UK in a Changing Europe](#) coordinated by Professor Anand Menon at King’s College London.

The project aims to examine in detail the **likely impacts of Brexit on the UK’s sectors, regions and cities** by using the most detailed **regional-national-international trade** and **competition datasets**
