

# **What do FGCs DO ?**

**Participation,  
planning and action  
in adults' and  
children's services**

**"When we have  
the right  
conversation, we  
get to learn from  
one another."**

**Collaborate with the community:  
funders, referrers, families.**

**Reach out to all groups & individuals,  
build understanding of FGCs and what  
the benefits are for the community.**

**Explore who else is in the network to  
balance the group. More is stronger.**

**Utilise the diversity of the London FGC  
coordinator pool.**

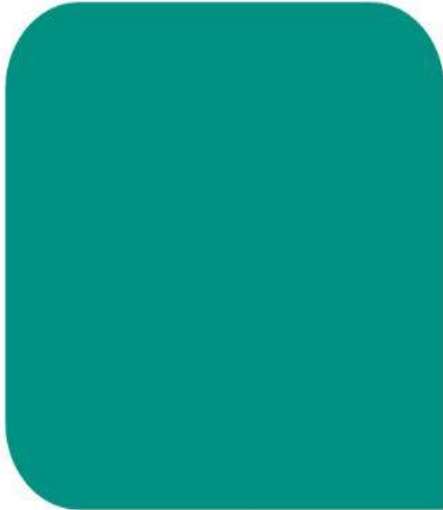

**Make the case for FGCs as a Universal  
Early Help service**
