

## Foundation Progression Requirements (2020-2021) – Medicine and Physiotherapy

These requirements apply to students completing the foundation pathway in the academic year 2020-2021. Upon successful completion of the Medical, Life & Geo Sciences Pathway you will be guaranteed a place on one of the following degree programmes, subject to meeting the progression requirements listed below.

\* You will be assigned an appropriate English module once you have started the course and you will need to gain the listed mark in this module to progress.

<sup>^</sup>Your average is based on all modules taken and weighted according to the credit value of the module.

School of Sport, Exercise and Rehabilitation Sciences	Modules	Progression Requirements <sup>^</sup>
