The University of Birmingham ("the University") is using the services of Western Union Business Solutions ("WUBS") to process US Sallie Mae Loans. This includes payment of University tuition and accommodation fees, as applicable, and the transfer of any excess funds for living expenses.

In order to receive living expenses or any balance from a gain in exchange rates please provide bank account details, which can be within the UK or US. If you would like to use a UK bank account but still need to open one please tick the box below to indicate you agree for the University and/or WUBS to hold onto your funds (credit balance) until such time as you are able to supply the required details.

If you have any questions please contact Income Processing, by email to incometeam@contacts.bham.ac.uk or telephone on 0121 414 7006.
