International Guide
Now is the time | 2024 Entry
Welcome

As an international student, you’re at the heart of our community. You bring global experience, new ideas and an international outlook. All this makes a huge difference to the diverse culture of our University.

At Birmingham, we love bold, independent thinking, meaning all our programmes will challenge you to grow.

Focusing on quality education and research, our strong standing in global rankings is based on our graduate prospects, student experience, as well as our publications.

Highly ambitious, we’re always investing in major new research, scholarships, and international partnerships.

We’re also transforming our Edgbaston campus with brand new facilities and accommodation. The largest redevelopment since 1900.

We are the first global top 100 and Russell Group university to create a campus in Dubai. Dubai embodies our heritage and global prestige, giving pioneering students a British education recognised by employers around the world. It enables us to collaborate more and more across international research and teaching.

We look forward to welcoming you on campus and being part of your future success.

Professor Robin Mason ORB
Pro-Vice-Chancellor (International)

Before you apply, please visit our website to view essential information for all applicants: www.birmingham.ac.uk/applicantinformation. If the University makes you an offer, and you decide to accept it, a contract will be formed between you and the University. The website includes important terms, conditions and requirements that will apply to that contract, and on which the University will rely in its future relationship with you. It is essential that you read them carefully.

Information set out in the International Guide and on the University website is accurate at the date of publication (September 2023).
If you’re going to be an international student, where better than Europe’s youngest city? With its friendly, diverse community, Birmingham is a modern, global hub within easy reach of the green English countryside. A centre for arts, culture, shopping and entertainment, the city is also home to the largest creative and financial sectors outside London. The perfect place to connect, grow and thrive.

**Food**
- We have more than 800 restaurants
- Serving food from 27 different countries
- Proud to showcase 5 Michelin star restaurants

**Culture**
- 600 parks and open spaces
- 50 festivals each year
- 5 million visitors in 2022

**Sport**
- We hosted the Commonwealth Games in 2022
- We host the Annual Aegon Classic Tennis Tournament
- We are home to Edgbaston Cricket Ground

**Explore**
- Stratford-upon-Avon: The birthplace of Shakespeare
- Ironbridge: A world heritage site
- Historic canals: From our industrial past

Explore our city: birmingham.ac.uk/city
Rich in history on a leafy, green estate, our main campus is an inspiring place to live and learn. Located in Edgbaston, the campus sits on 250 acres of parkland, featuring lawns, trees, a lake and works of sculpture.

Our domed, red-brick buildings may be rich in heritage, yet the campus is equally modern. With all the amenities of a small town, you’ll find shops, bars, and cafés, plus medical and dental surgeries, sports facilities and even our own train station.

The campus is also connected to several other University sites, including The Shakespeare Institute, found in the historic town of Stratford-upon-Avon.

Discover what makes our campus one of the most beautiful in the UK with our virtual tour: birmingham.ac.uk/virtual-tour
Your facilities on campus

Be part of a diverse community. Learn, relax and socialise on our green, spacious campus.

Your facilities on campus

Teaching and learning spaces on campus

The quality of the environment in which you learn matters. Our Teaching and Learning building provides teaching and social study spaces to support the modern university experience. From collaborative working areas to an interactive lecture theatre, we aim to make your learning experience the best it can be.

Your facilities on campus

Just minutes from the UK’s vibrant second city, we’re investing in new facilities every day, such as our School of Engineering and Collaborative Teaching Laboratory.

Featuring state-of-the-art buildings and natural surroundings, our campus is the perfect place to study and grow.

Libraries

However you like to study, our Main Library has the facilities for you. There are spaces for group study, silent study and informal areas too. You’ll also find specialist libraries and resources across campus, with lots of online resources to study and learn at home.

Green spaces

Feel closer to nature while you study. The Green Heart is a stunning space for you to work, relax and meet with friends. A 12-acre parkland, it’s home to wildflowers and a community garden, where you can enjoy a peaceful break between classes.

The Guild of Students

Between your studies, you’ll enjoy lots of opportunities to relax and have fun. The Guild is your Students’ Union. They host a range of events through the year to help you socialise and make new friends. Here to provide you with support, advice and entertainment, there are more than 300 student groups, and clubs for you to join: guildofstudents.com

Sport

Love to be active? Our University and city are top destinations for sport. We were an Official Partner of the Birmingham 2022 Commonwealth Games that put us on the global stage for sport.

From beginners to elite athletes, there’s something for everyone. With a 50-metre pool, 200-station gym, group exercise classes and much more, our University Sport & Fitness Club lets you challenge yourself physically, or simply relax and have fun.

birmingham.ac.uk/experience
Enjoy your independence in a safe, welcoming and friendly environment. Wherever you decide to live, we have three accommodation villages to choose from.

Each one is a short walk from our main campus, with its own student community and social hub. Everything you need to feel at home.

International Guarantee Scheme

As an international student, you’ll be guaranteed accommodation in your first academic year of study.

To qualify, you’ll need to have firmly accepted your offer to study with us. You’ll also need to submit your international student application online by 31 July 2024.

The Vale Village

Surrounded by green parkland, the Vale Village is just a 20-minute walk from the main campus. With a range of accommodation to suit every need and budget, the Vale is centred around the Hub, featuring a restaurant, café, bar and convenience store. The Hub is also a great place to study and socialise with your fellow residents.

Pritchatts Park Village

Here, you can live close to the city and our main campus. There is a choice of accommodation for both postgraduate and undergraduate students. Only 15 minutes from the University, Pritchatts Park is near to a range of local amenities and transport links that take you into the city centre.

Selly Oak Village

Live in the heart of a thriving student area just a five-minute walk from campus. Selly Oak Village offers a vibrant mix of bars, cafés, dining and supermarket shopping. Over 900 students live here already, with most of our Partner Accommodation and private student housing a short walk away.

Get ready for tomorrow with our dedicated Careers Network. From developing skills and experience to building your confidence, our support will help you stand out. We’re the 3rd most targeted university by the largest number of top employers in 2022-23 (Graduate Market High Fliers Report).

Exclusive opportunities
Gain real-world experience while you study. Our Careers Network offers funded work placements across all kinds of sectors, plus direct access to hundreds of employers through careers fairs, workshops and presentations. We even run internships, exclusive to our students.

Our Personal Skills Award also helps our undergraduate students to recognise, develop and articulate their skills, so they are fully prepared when applying for jobs.

Real-world challenge
Our unique Global Challenge gives you the chance to work with a top global company matched to your area of interest. Each internship is fully funded, placements include the British Consulate in Chicago, Museum Victoria in Melbourne, Australia and GlaxoSmithKline in Morocco, Argentina and Singapore.

Your career, your way
It’s your future, so develop it how you choose. Our Careers Network mentoring schemes will match you with an expert suited to your area of interest. From career planning to application workshops, drop-ins and one-to-one appointments, you’ll have lots of opportunities to develop. If you’d like to set up a business after graduation, we even provide entrepreneurial and freelance support.

A lifetime of support
If you ever need specialist career support, our international and postgraduate teams are here to help. From working in the UK to events featuring top employers and Birmingham alumni, we’ll support you long after you graduate.

It could be advice on your career path, which further study route to take, how to secure funding, or which field of research to pursue. Whatever you need, you’ll enjoy full access to our careers services. Both while you study, and long after you graduate.

Discover a world of career opportunities: birmingham.ac.uk/career
University is about more than academic learning. It’s about getting you ready to enjoy the best career possible. That’s why our goal is to equip you for the future, with a range of opportunities to support your personal and professional development. Our Careers Network offers expert support for all international students. From our international careers consultants to our team of student ambassadors, everything is in place to help you develop skills for work or further academic study. Whether you want to take the next step in your home country or elsewhere.

Give your career the best start possible: birmingham.ac.uk/career

A global network

Enjoy the support of a global network of alumni. Once they graduate, our students remain an active part of our community, meaning you can benefit from their advice. Our alumni love to share their career experiences, giving you a unique insight into their journeys. They’re also a great source of professional support. From guest lectures and mentoring, to work experience and placements, we encourage all our graduates to share their knowledge with new students just like you.

Discover a global network of support: birmingham.ac.uk/alumni

International career opportunities

Advance your career before you graduate and find job opportunities in your home country and beyond. At Birmingham, you’ll have access to a huge database of employers, vacancies and industry trends for countries around the world.

You’ll also be able to visit fairs, workshops and presentations attended by many large, global companies, offering opportunities worldwide.

What support is available to you?

We offer many opportunities for you to make the most of your student experience, on and off campus. We can help you to gain experience, develop a broad range of skills and make useful contacts for your future career:

- One-to-one career guidance from college-specific advisors
- CV and job application advice
- An annual programme of careers fairs on campus
- Employer presentations – make contacts and find out more about what companies and organisations have to offer
- Careers workshops to help you with areas such as interview skills and finding work experience
- Graduate mentoring
- Skills training for postgraduates, including real-world business challenges
- Bespoke careers support, events, skills training and careers conferences specifically for postgraduate researchers
- Entrepreneurial skills training – support and advice on setting up your own business
- Online career action planning tools and self-enrolment career development courses – use in your own time to support your career planning
- International Careers Consultant and International Employer Liaison Officer

Each of our colleges also has its own careers and employability team. These teams deliver tailored programmes of careers events for you, and can provide you with advice and guidance services at locations within the colleges.
Grow as a person, develop your ideas, expand your opinions and achieve your full potential. We’ll encourage you to become an independent and self-motivated learner.

To help you settle in, we’ll assist, inspire and encourage you with a complete system of support.

- As well as your personal tutor, we have welfare tutors and wellbeing officers based in your school and department to help with any academic and welfare concerns.
- The Academic Skills Centre helps to boost your academic writing, mathematical and general academic skills, including workshops, online self-help tutorials and one-to-one appointments with specialist advisors.

Our learning facilities

Our lectures and seminars are inspiring learning experiences. Here, you’ll develop your ideas through dialogue and debate with your tutors and fellow students.

Free to choose your own way of studying, our library and archives combine traditional methods with e-resources and digital collections. In modern, purpose-built surroundings, such as research and teaching labs, you’ll work with expert teams who’ll help you explore all the tools on offer.

Whatever your learning style, we’ve a wide range of services, resources and techniques to suit you. At our state-of-the-art library and adjacent Teaching and Learning Building, you’ll find a variety of facilities from group study spaces to silent study rooms.

Careers mentoring

Enjoy one-to-one advice from an expert working in the area you’re interested in. It’s a great way to learn how to succeed, or simply prepare yourself for the workplace. With practical advice on employability and more, our mentors love sharing their wisdom.

Learn more about the Careers Network Mentoring Scheme: birmingham.ac.uk/careersmentoring

What study support will you receive?

Student mentors

Planning to live in University-owned or Partner accommodation? Our Student Mentors are here to help. Available during term-time, they’ll support you with any financial, academic, shared living or personal challenges you might face.

Discover more: guildofstudents.com/studentmentors

Here for you 24/7

Our international student community is vibrant and diverse. So, we’ve created a range of student services to make sure everyone gets the help they need. The Aston Webb Student Hub brings it all together in one place. You’ll find the Aston Webb Building at the heart of the campus. Online, you can access it through Student Help. So, whether you’re looking for information, guidance, emotional support or a specialist student service, this is the place to start.

“ Apart from my degree, the most important thing I got from the University of Birmingham was my friends. I had friends from different groups, different ethnicities and I learnt a lot about them. I could learn about their culture, their likes and dislikes and it was an experience.”

Anshul, India
LLM General Pathway

Ask a postgraduate student: birmingham.ac.uk/askpg
Chat to undergraduate students: birmingham.ac.uk/chat
Supporting you during your studies

Your health and wellbeing are our number one priority while you’re here. That’s why we offer a range of services to support you at every stage of your journey.

International Student Team

Whatever advice you need, our team will support you from when you first apply to when you graduate. Here are just some of the things you can talk to us about:

- Applying for your visa, to come to the UK, or continue studying here
- Living and studying in Birmingham
- Bringing your family to the UK
- Social activities, or settling into life and studies with us
- Working during and after your studies
- Registering with a doctor
- Opening a bank account

Welcome Week

To help you settle in and feel at home, we run a welcome programme at the start of every September. If you’d like us to collect you from the airport, we’ll arrange that too. As well as tours of the city and our green, friendly campus, we also host a range of social events to help you make new international friends.

A safe, friendly campus

On the edge of the city in the leafy suburb of Edgbaston, our campus is safe, secure and welcoming to all. Our on-site security team will keep you safe, both on campus and in our accommodation. With everything monitored on CCTV, we also work closely with the local police, while our own Community Police Officer is based right here on campus.

Supporting your faith

Our Multi-Faith Chaplaincy is open to students of all faiths and those who have none. It’s a place where everyone’s welcome, whether you’re meeting for worship, relaxing in the Oasis Lounge or joining one of our established societies and groups. Here, you can talk to a Christian, Jewish, Muslim, Hindu or Buddhist chaplain and get pastoral counselling, or spiritual and religious advice. Beyond our campus, you’ll find the city of Birmingham has prayer rooms and many places of worship, whatever your faith or religion.

Discover more: chaplaincy.bham.ac.uk

Looking after your children

If you’re bringing your family to Birmingham, there are three different nurseries on campus. Each offers high-quality care and education. As they’re popular, please contact us as soon as possible and check we have places available.

Browse your childcare options: daynurseries.bham.ac.uk

Putting your wellbeing first

Our Wellbeing Centre helps our students stay happy and healthy. Our dedicated team of professional counsellors offers individual, group and online support whenever you need it.

The Guild of Students’ Guild Advice service also offers free, independent advice. From money and academic issues, to employment, housing, immigration and more. It’s a friendly, professional service for all.

Disability and wellbeing support

We want everyone in our inclusive community to have the best possible experience. So, please let us know if you have a disability and how we can support you. We’ll then make any adjustments you need.

Our Student Disability Service offers professional support to students with disabilities, including long-term health conditions, mental health difficulties and specific learning disabilities such as dyslexia. Don’t worry, telling us about a disability won’t affect your academic course admission. On top of helping you access disability funding, we want you to enjoy life here to the full.

Funding your studies

Tuition Fees
Paying for your studies is simple. We charge an annual tuition fee, covering the cost of your tuition, examinations, access to IT facilities and the library. It also includes your membership with the Guild of Students. You’ll pay your fees at the start of your programme.

Cost of tuition
This can vary depending on your chosen programme and level of study, but you can find out more on our course finder pages.

We’ll give you full details about the fees you’ll pay in your offer letter. But you can also check our latest international fees before applying:
birmingham.ac.uk/internationalfees

Fees and funding advice
Have a question about our fees and funding? Our International Student Team is happy to help.

They can offer advice about:

- Opening a bank account and typical UK living expenses
- Sources of available funding
- Financial difficulties
- Immigration regulations and visa rules on working in the UK

Chat to us online
Book one of our online chats and you can discuss funding opportunities, plus any other questions about paying for university.
birmingham.ac.uk/countryinformation
Scholarships and funding opportunities

At Birmingham, we believe in removing all barriers to education, so all of our talented students can achieve their full potential.

Undergraduate Scholarships
Since 2015, we’ve awarded over £800,000 to undergraduate students. Continuing this tradition of rewarding academic excellence, we’re growing our international scholarships for undergraduate students. We also offer a range of scholarships linked to specific subjects, ranging from £1500 - £8,000.

Postgraduate Scholarships
In 2021, we celebrated our partnership with the Commonwealth Games by launching a major new international scholarship for Masters students. Known as Commonwealth Scholarships, they’ve been awarded to over 600 students so far, providing almost £2 million in funding. In 2024, we’re providing more postgraduate scholarships across a range of countries and subjects.

You could also benefit from our flagship scholarship partnerships. These are offered by organisations such as Chevening, Commonwealth Scholarship Commission, Fulbright, Marshal, HESPA, SaidFoundation and many more.

Sponsorship, loans, and financial aid
At Birmingham, there are many funding opportunities to explore. We’re an approved institution for hundreds of government ministry scholarships and other sponsoring organisations around the world. In 2021/2022 alone, we were home to students from 245 different organisations including LPDP in Indonesia, Bolashaq in Kazakhstan and the China Scholarship Council. Learn more about our sponsors: birmingham.ac.uk/sponsors

More good news. We’re approved to offer the USA Federal Direct Loan Programme and certify USA loans via private lenders. You can learn more about USA and Canada loans here: birmingham.ac.uk/international-loans

Part-time employment
A part-time job is a great way to boost your income and gain valuable work experience.

Worklink can help you find work to fit around your studies.

For more advice and information, please visit: birmingham.ac.uk/ptwork

Search for undergraduate funding: birmingham.ac.uk/ugfunding

Apply and learn more about our scholarships: birmingham.ac.uk/internationalscholarships
We hope you’re as excited to study in the UK as we are to welcome you. Here, we’ll guide you through the application process for your chosen course and give you some important details.

Supporting documents
Whether you’re applying for an undergraduate or postgraduate programme, you’ll need to provide us with some supporting documents. These include:

- Transcript or statement of your results, showing your highest qualification or predicted grades (you don’t need to provide originals or certified copies at the application stage)
- One or two references
- If English is not your native language, please provide a copy of your IELTS, TOEFL or Pearson Academic English Test certificate
- A copy of your passport’s personal details page

Postgraduate applicants
If you need a visa to study in the UK, you’ll need to apply by 1 July 2024. Unfortunately, we’re not able to consider applications for 2024 after this date.

You also need to know that some of our programmes have earlier deadlines and/or a staged admission process, including those in our Business School and Computer Science. Please check our course pages for full details.

Unsure of which postgraduate degree you should choose?
If you wish to further your knowledge, prepare for a research degree or change career, then a taught Masters course could be right for you. We offer a range of taught Masters degrees, usually in the form of a Master of Arts (MA), or Master of Science (MSc). However, they can also include Master of Education (MEd), Master of Engineering (MEng) and Master of Business Administration (MBA).

A research Masters such as an MRes or a MA by Research may be for you if want to balance the taught elements of your degree with a longer research project. These courses typically take just one year to complete.

Doctoral degrees, such as the PhD, are the highest level of academic qualification and typically take 4 years to complete.

Foundation pathways
A route into our undergraduate degrees, studying on campus. Apply to our September or January pathways:
birmingham.ac.uk/foundation

Studying abroad and exchanges
Sample life in the UK and at our University. Apply to our Study Abroad programme:
birmingham.ac.uk/incomingstudy

International clearing
If you don’t get the grades you’re hoping for, you could still apply for an undergraduate degree through Clearing. This happens after 30 June. Learn more about Clearing:
birmingham.ac.uk/clearing
Applying for a taught postgraduate programme

Applying for our taught postgraduate programmes is simple. Just follow these three steps:

1. Find your course online: birmingham.ac.uk/pgcourses
2. Before you apply, check that you meet our entry requirements. You’ll find details of these in the course finder.
3. Complete the online application form on the course webpage, remembering to upload your supporting documents.

*Some taught courses may charge a £50 application fee.

If you’re interested in our Social Work and Initial Teacher Training programmes, you’ll need to apply for these through UCAS. You can register and apply as soon as the UCAS portal opens (usually in September).

Discovered more about our postgraduate taught and research courses: birmingham.ac.uk/pgapply

Applying for an undergraduate programme

You can apply to one of our undergraduate degrees through UCAS. Here’s how it works:

1. Apply through UCAS between early September (prior to the year you wish to study) and 30 June (in the year you wish to study).
   Please apply by the 2nd UCAS deadline, 31 January. If you apply after this date, you may be considered by some undergraduate programmes, but we can’t guarantee it.

2. If you’re looking to study Medicine or Dentistry, you’ll need to apply by 16 October.

3. You can apply to up to five different choices at:ucas.com

4. If you meet the conditions of your offer, congratulations! Your place on the programme will be confirmed.

5. If you’re looking to study on a student visa, you’ll be issued a Confirmation of Acceptance for Studies (CAS).
Applying for a research programme

If you’d like to study a research degree with us, there are generally two routes you can take.

Applying for an ‘advertised PhD’

An ‘advertised PhD’, simply means that it’s part of an established research project at the University. It’s also usually funded by us, or another funding body. Most of the time, the advertised listing will direct you to the correct course page, where you can check the requirements and apply.

1. Explore our current research projects: birmingham.ac.uk/findaphd
2. Prepare your personal statement and any supporting documents.
3. Submit your application online through our course finder and upload your supporting documents.

Apply to propose your own research

You’re not limited to our existing projects. You can propose your own research too. First, you’ll need to submit a proposal for your research. This includes identifying the supervisor you’d like to work with. To pay for your research, there’s a range of funding, including scholarships, charities, loans and self-finance.

1. Think about the type of research degree you’d like to study (PhD, MA/MSc by research or MRes) and explore our research themes
2. Find and consult with a supervisor or department: birmingham.ac.uk/findasupervisor
3. Explore research funding options and look through our scholarships and funding database: birmingham.ac.uk/pgfunding
4. Write your proposal as a clear and concise summary of your research. It’s a key part of your application, so take your time. Your potential supervisors will use it to decide if your research is something they can support.
5. Prepare your personal statement and supporting documents
6. Submit a formal application by visiting the course page of the subject most relevant to your area of research

Once we receive your application, it usually takes four to six weeks for us to review it. You can track your progress and get updates from us through the Applicant Portal.

If we make you an offer, it will either be unconditional or conditional. If you accept and meet the conditions, we’ll confirm your place. If you’re looking to study on a student visa, we’ll provide you with a Confirmation of Acceptance for Studies (CAS).
Study with us in Dubai

Be part of the Birmingham family, while living in the global city of Dubai. We offer a range of foundation, undergraduate and postgraduate programmes. Meaning you can enjoy an education from us, without moving to the UK.

A fast-growing international hub for education, our Dubai campus offers the same innovative learning experience as our UK campus. Taught and accredited to the same standards, you'll learn from academics who are experts in their fields. As well as thought-leaders who shape policy, influence society and change lives around the world.

New campus, new opportunity
Since opening in 2021, our Dubai campus has helped to accelerate the progress made in Dubai International Academic City. Home for up to 2,900 students, it’s a thriving community for Birmingham alumni in the region. It’s also a hub for community outreach and engagement, all housed in iconic buildings. Directly opposite, you’ll find our purpose-built student housing, looking across parkland inspired by the Green Heart design of our UK campus.

Grow your global connections
Join our Dubai campus and you’ll be part of a dynamic city with a wealth of attractions, entertainment and lifestyle opportunities.

Where traditional souks meet state-of-art-malls, Dubai also boasts thriving art and festival scenes, giving you a truly rich student experience. Depending on academic performance, UK students can travel to the UAE and study alongside their Dubai peers. Likewise, as a student based in Dubai, you can choose to move to the UK for up to a year.

If you’re studying away from your family home, you’ll find our relaxed, comfortable and secure student communities provide many home comforts. With options to suit a range of budgets, you’ll have easy access to gyms, games rooms, outdoor cinema and social spaces.

All the space you need
Our Dubai campus is an innovative space that lets you get the most from our teaching and world-leading research.

In Dubai, you’ll benefit from best-in-class facilities, forward-thinking staff, a tech-driven environment and a wealth of industry partnerships. Together, we drive innovation, preparing you with the skills, knowledge and expertise to help you thrive in the job markets of tomorrow.

Designed with sustainability at its heart, our dedicated ‘hub’ puts all student services in one space, while sheltered courtyards and social spaces offer a place to relax. From large lecture theatres and laboratories to smaller seminar and tutorial rooms, our Dubai campus delivers a world-class experience for all.

Study with us in Dubai: birmingham.ac.uk/dubai
Where it begins

Meet us in your country
You don’t need to travel to the UK to meet us. We regularly travel overseas to meet international students. See when we’re next in your country: birmingham.ac.uk/meetoverseas

Meet us on campus
As an international student, it’s not always easy to attend open days. But if you’re in the UK, why not join one of our weekly campus tours? We’d love to meet you, so book your place today: birmingham.ac.uk/ugcampustour birmingham.ac.uk/pgcampustour

Chat to us online
Get answers to your questions from the comfort of home. Through our online chats, you can ask our students and staff anything about Birmingham.

Key dates for International Students 2024 Entry

Undergraduates

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>5 September 2023</td>
<td>UCAS applications open</td>
</tr>
<tr>
<td>16 October 2023</td>
<td>Medicine and Dentistry deadline for 2024 entry</td>
</tr>
<tr>
<td>30 June 2024</td>
<td>UCAS applications close</td>
</tr>
<tr>
<td>5 July 2024</td>
<td>UCAS Clearing opens for international students</td>
</tr>
<tr>
<td>23 September 2024</td>
<td>Semester One begins</td>
</tr>
</tbody>
</table>

Postgraduates

If you require a visa to study in the United Kingdom, you will need to apply by 1 July 2024. We are not able to consider applications for 2024 made after this date.

Please note, some of our programmes, including programmes in the Business School and Computer Science, have earlier deadlines and/or a staged admissions process. Please check our course pages for more information.
