

Break-out session

2:30 – 3:30

UNIVERSITY OF
BIRMINGHAM

THE INSTITUTE
OF ADVANCED
STUDIES

The
Alan Turing
Institute

Rooms

Please assign yourself to one of these rooms:

- Michael Tippet Room
- J B Priestley Room
- Osbert Lancaster Room
- W H Auden Room
- Adrian Boulton Room
- Thomas Beecham Room
- John Betjeman Room

Questions

1. What research questions can AI help you address?
2. How would you characterise the data which you work with?
3. What are the opportunities for interdisciplinary working in your group?
4. What are the opportunities arising from our involvement with the Turing Institute?

Outcomes

- Please nominate someone to record key points on the flipchart.
- Flipcharts will be collected and reviewed at the end of the workshop.
- We will produce a report back on ideas and outcomes to follow up.
- Follow up meetings to be organised as appropriate.
