- Representation Coordinator
- Researcher and Bid Proposal Writer
- Teacher

'After my Masters course, I have a place on a three-year accountancy graduate scheme with Smith and Williamson in Salisbury, Wiltshire. My degree will prepare me well for this role, since it allows me to develop my critical analysis skills, and also has required me to manage my time really well. This will be useful because as part of the scheme I will study for and undertake ACA exams alongside daily work, so I will need to be really organised.'

PHILIPPA JASMINE WOODS,
MSc Global Ethics alumna
