Your city

Birmingham is more than somewhere to study. With galleries, museums, theatres, shopping centres, arenas, and an abundance of new and exciting restaurants to try, you'll find something to suit you.

It's no wonder our students fall in love with the city and almost half decide to stay in the region after they graduate.

Selly Oak Village

Here, you will find a variety of student homes, either managed by our accommodation team or by our trusted partners. With shops, pubs, cafes, and bars, you have everything you need on your doorstep. Campus is only a short walk away and the city centre can be easily accessed by bus or train.
