

## **GloPent World 2020 FAQ's**

### **Where are the events hosted?**

- The live presentations will be hosted through Zoom with links posted on our Conference Hub website.
- The pre-recorded presentations are available on our Conference Hub website.

### **How do I access the links to live talks and pre-recorded presentations?**

- Each presentation will have a dedicated link to the session on Zoom. Pre-recorded sessions are posted as videos on the conference hub.
- There will be links our discussion platform for each presentation, where you can post comment and message delegates.

### **Where can I find the time for each event?**

- You can find this information in the program brochure and on the conference hub webpage, which will show the UK time for each live event.

### **I am delivering a presentation at the conference - where can I find further information?**

- Information and guidance about both pre-recorded and live presentations has been sent to all presenters. It is also [available for reference](#) on our discussion platform.
- If you need to contact the conference organisers during the conference please message our [Help Desk](#)
