

## Low to Lower Middle-Income Countries

Please see below for countries that fall into the low to lower middle-income countries bracket who qualify for our £10 conference fee.

These have been identified using [World Bank data](#) where low-income economies are defined as those with a GNI per capita of \$1,025 or less; lower middle-income economies are those with a GNI per capita between \$1,026 and \$3,995.
