

# School of Chemistry Open Day

Saturday 18<sup>th</sup> October 2014

UNIVERSITY OF  
BIRMINGHAM

## Programme of Events

### *Activities running all day*

#### **Displays and Information Desk**

*Meet members of staff and undergraduates to discuss the courses we have on offer, our entry requirements, scholarships and life at Birmingham Chemistry.*

Reading Room **216** (1<sup>st</sup> floor) of the Haworth Chemistry Building

#### **Displays of the School's Research and Hands-on Experiments**

*Meet some of our postgraduates and find out about their PhD research projects.*

Seminar Room **209a** (1<sup>st</sup> floor) of the Haworth Chemistry Building

#### **Tours of the School**

*Our students will be leading **tours of the School and its research facilities** throughout the day.*

*Interactive tours of the **Undergraduate Teaching Labs** will also be available from 11.00 onwards.*

All tours leave from **Room 209** (1<sup>st</sup> floor) of the Haworth Chemistry Building

## **Talks**

All talks will take place in the **Large Lecture Theatre 101, Haworth Building**

#### **10.30 – 11.00 (repeated 13.30 – 14.00): Chemistry at Birmingham**

*One of our Admissions Tutors will talk about Chemistry at Birmingham, and discuss our courses, entry requirements and scholarships.*

#### **11.15 – 11.45 (repeated 14.15 – 14.45): My Student Experience**

*Some of our current students and alumni will talk about various aspects of Chemistry at Birmingham in a 30-minute question–answer session.*

#### **12.00 – 12.45: Chemistry and Energy: from Steam to Nuclear Power**

*An entertaining demonstration of Chemistry in action.*

#### **12.45 – 13.15: Career Opportunities for Graduate Chemists**

*Hear what you can do once you graduate with a Chemistry degree and also how Birmingham is focusing on developing key employability skills to enable its graduates to fulfil their career aspirations.*
