

Particle Physics Workshop – Student Questionnaire 1

1. Tick which part(s) you enjoyed most today:

- ☐ learning about what's inside atoms
- ☐ learning about other particles
- ☐ making particle models
- ☐ making particle interaction stories
- ☐ listening to other particle interaction stories

3. Can you think of one thing that you learned about particles today?

.....

.....

4. Will you try to find out more about particles after today?

YES ☐ NO ☐

If yes, how will do you this:

.....

.....

.....

5. Will you explain what you learned today to friends and family?

YES ☐ NO ☐

6. Do you feel more interested in science as a result?

YES ☐ NO ☐

7. Did this day make you more excited about going to university and studying science further?

YES ☐ NO ☐

Particle Physics Workshop – Student Questionnaire 2

1. Do you remember the particle physics workshop day earlier this year?

YES ☐ NO ☐

2. Tick which part(s) you enjoyed most on the day:

- ☐ learning about what's inside atoms
- ☐ learning about other particles
- ☐ making particle models
- ☐ making particle interaction stories
- ☐ listening to other particle interaction stories

3. Can you think of one thing that you learned about particles that day?

.....
.....

4. Did you try to find out more about particles after this day?

YES ☐ NO ☐

If yes, tell us more:.....
.....
.....

5. Did you explain what you learned on the day to friends and family?

YES ☐ NO ☐

If yes, tell us more:.....
.....
.....

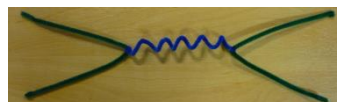

6. Do you feel more interested in science as a result?

YES ☐ NO ☐

7. Did this day make you more excited about going to university and studying science further?

YES ☐ NO ☐

Cut-away view

Particle Physics Workshop – Teacher or TA Questionnaire

1. After the particle physics workshop day did you make a display in your classroom on the world of particles?

YES ☐

NO ☐

2. Did the children explain to the rest of the class what they learned on the day?

YES ☐

NO ☐

3. What impact has this had on you in relation to your knowledge and enthusiasm for physics?

.....

.....

.....

.....

4. Would your students benefit from a similar day next year?

YES ☐

NO ☐

5. Are you planning to use the resources of the particle physics workshop by yourself in future years?

YES ☐

NO ☐

Thank you for your time
