Arriving by Coach or Mini Bus

University policy does not allow coaches or mini buses to park for extended periods within the University's campus.

As such we ask visiting groups traveling to the Museum by coach or mini buses to arrive at the University via the **Eastgate** or **Westgate** entrances where they will be permitted access to the campus.

Coaches/mini buses will then be permitted to drop their party off at the Museum, and will then be directed to our **North Car Park*** (a D shaped area for large vehicles to park) where they are welcome to remain until the party need picking up once more. If you are leaving a vehicle unattended we suggest leaving a note in the windscreen.

Should coach drivers prefer to leave site and make their own arrangements to return they are welcome to do so, but must return via the **Eastgate** or **Westgate** entrances.

It would be helpful if you could obtain a contact number for the coach driver to allow us to call them if we are running behind schedule. This ensures that the ring road is not blocked by a waiting coach/minibus.

(Please see map overleaf for more information)

*Please note that the North Car Park is a large D shaped area for large vehicles to park it is NOT the North East Car Park which is a Multi-Story Car Park and not suitable for coaches/minibuses
