

ARE YOU AGED BETWEEN 11 AND 15 YEARS?

We are a group of researchers from the University of Birmingham interested in exploring the impact of the Covid-19 restrictions (lockdown) on the wellbeing of young people in the UK.

We are looking for volunteers to take part in the CONTRAST study and complete a short online survey asking about their learning, eating and physical activity behaviours.

You will be offered the opportunity to be entered into a prize draw, with a chance to win one of six **£30 vouchers**.

CLICK [HERE](#) TO COMPLETE THE SURVEY.
