

# BactiVac Network Management Oversight Board (NMOB)

## Terms of Reference

### Overall remit:

The BactiVac Network Oversight Management Board (NMOB) is responsible for devising and reviewing BactiVac Network strategy, making decisions related to its implementation, based on recommendations from the Operations Management Group and input from the Full Membership.

### Terms of Reference:

1. To advise and support the Directors of the BactiVac Network in the strategic management and leadership of the Network
2. To agree the plan for the management and delivery of the Network, including the dissemination of information, encouraging widespread, open membership
3. To facilitate communication and ensure the effective co-ordination of all matters relevant to the running of the BactiVac Network and its activities, including interactions with other appropriate national and international organisations
4. To monitor the Network's performance against all relevant targets and benchmarks, identifying action to encourage continuous improvement
5. To approve the distribution and awarding of Network funding, including reviewing applications submitted for funding under the Network's catalyst schemes
6. To review BactiVac Network's risk register, including identification of action required to mitigate threats and to exploit opportunities

### Duties of members of the Management Oversight Board:

- To act in the best interests of the BactiVac Network
- To take collective responsibility for implementation of the Management Oversight Board's decisions
- To act in good faith and with integrity
- To exercise due care and diligence
- To disclose and avoid any conflicts of interest
- To respect the confidentiality of those matters so classified
- Not to use their position to gain advantage for themselves or others
- Members are also expected to observe the 7 principles of public life identified by the Committee on Standards in Public Life (the Nolan Committee): selflessness, integrity, objectivity, accountability, openness, honesty, leadership.

**Membership:** The constitution of the NMOB will be reviewed on an annual basis and revised, if required, based on the needs of the Network in relation to any additional expertise required to successfully deliver the Network's strategy. The expectation is that members of the NMOB will actively engage with the Network and attend a minimum of one meeting each year. The tenure of membership is for the duration of the current funding of the funding period i.e. until 30/11/27.
