BactiVac Catalyst Funding – Training Award Applications

Frequently Asked Questions (FAQs)

Question (Q) / *Answer (A)*

Q   Do I need to be a BactiVac Network member?
A   Yes, all applicants must be a member of the Network. Membership is free and can be applied via our online form

Q   Can I apply for membership at the same time as submitting an application for funding?
A   Yes, the Network can process both applications in parallel

Q   Are applications for more than one person eligible?
A   No, each application should be specific to one individual applying for funding for a specific training requirement/opportunity

Q   Do I need to specify the training that I would like?
A   Yes, all applications must be specific about the training being requested with the requirement to submit supporting documentation from the host institution to indicate agreement to the training placement taking place

Q   Can I include a per diem rate on the application?
A   No, per diems are not accepted. All finances must be detailed to show the exact funding required

Q   Can I include costs relating to COVID-19 testing or other COVID-19 related expenses?
A   No, the Network will not cover any costs relating to COVID-19. Please refer to our Guidance document for restrictions relating to COVID-19

Q   If I am awarded, will the funds be provided ahead of the training placement?
A   No, payments are made after the training placement has taken place

Q   Are the funds paid directly to the awarded applicant?
A   No, the Network will require the applicant's employing institution to invoice for the travel award costs and retain all relevant receipts
