

HUMAN AND TRANSLATIONAL IMMUNOLOGY SEMINAR SERIES

"Biliary epithelium and T cells crosstalk and development of GMP Treg therapy in autoimmune liver diseases"

Ye Htun Oo, MBBS, PhD

Professor of Autoimmune Liver Diseases and Translational Hepatology; Director of Advanced Cell Therapy Facility, University of Birmingham

> Tuesday, November 7, 2023 from 4-5 PM Brady Auditorium, BML 131

Join us for coffee, tea and cookies at 3:45pm outside of the TAC Auditorium

CME Activity Code: Text 41426 to 203-442-9435

Host: Dr. David Assis

Course Co-Directors: Dr. Carrie Lucas and Dr. Ellen Foxman

LEARNING OBJECTIVES

At the conclusion of this activity, participants will understand:

- 1. Regulatory T cells homing.
- 2. T cells and epithelial cells cross talk.
- 3. GMP cell therapy

FACULTY DISCLOSURES

Ye Htun Oo: None

Carrie Lucas: Received consulting fees from Pharming Healthcare and research support from Ono Pharma

Ellen Foxman: None

NEEDS ASSESSMENT

The HTI Seminar Series seeks to review the scientific basis for choice of immunologically related therapeutic targets in various diseases, including organ-specific and systemic autoimmunity, allergy, transplant rejection, cancer, and infectious diseases. The goal is to help understand the rationale and mechanism underlying the major pharmacologic approaches for interventional immunology in current practice and review the data on the different therapeutic approaches in different specialties.

TARGET AUDIENCE

The target audience for the HTI Seminar Series comprises attending faculty, clinical and basic scientists, community physicians, nurses, residents, fellows, and students.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
