

UNIVERSITY OF BIRMINGHAM

College of Medical and Dental Sciences

Intercalated BSc Honours Degree Clinical Anatomy 2020 - 2021

Degree to which programme will lead:	Bachelor of Science (BSc)
Length of programme:	1 year
Total number of credits:	120
College responsible:	Medical and Dental Sciences

DEADLINE FOR RETURN OF APPLICATIONS: 9:00am on Thursday 19th December 2019

Application Process

Places on the programme are limited and competitive, candidates will be judged as follows:

- Students must have been granted permission to intercalate in 2020/21 prior to submitting this application form. Your academic performance will be reviewed, as will your module marks in Years 1 & 2. Namely, MJM, BAB, NAS and Regional Anatomy as they have significant anatomy content. External students must provide module descriptions and corresponding marks for all modules completed in Years 1 & 2 & 3 where appropriate/relevant.
- Your answers to questions on this form will also be assessed for academic performance. Your answers will be assessed by two academics and the mean mark awarded.
- Your module marks and written answers will be assigned an overall academic performance score and used to create a shortlist for interviews.
- Shortlisted candidates will then be called in for an interview. As part of the interview process, you will be asked to prepare for a short anatomy viva on two predefined regions/areas of the body. These interviews will be held in January 2020.

UNIVERSITY OF
BIRMINGHAM

College of Medical and Dental Sciences

Intercalated BSc Honours Degree
Clinical Anatomy
2020 - 2021

APPLICATION FORM

Please ensure that you complete every section of this form.

SECTION 1: Your details

1. Forename:.....

2. Surname:.....

3. University ID:.....

4. Email address:

5. Telephone no:.....

6. Mobile no:

7. Current Degree Programme

MBChB (or equivalent)

BDS

Other (please state)

8. Current Year of Study

Year 3

Year 4

9. Student Status

Home/EU

International

SECTION 2: Application questions

Please give your marks awarded for the following:

UoB MBChB students:

Average year 1:	MJM:	NAS:	RA1:
Average year 2:	BAB:	RA2:	

UoB BDS students:

Average year 1:	NMS:
Average year 2:	CFB:

External Students:

Please provide your average marks for each completed academic year as well as module marks from years 1 & 2 including module descriptions. Please provide evidence of this in the form of your transcript or a letter from your Medical School. All the evidence and documentation should be emailed, together with your application form, to n.bateson@bham.ac.uk

Average year 1:

Average year 2:

Please answer the following questions, maximum word limit for each section is 400 words.

- Why you are interested in the programme, how does it suit your career aims?

- **Reflections on how and where anatomy studied in years 1 and 2 has informed your learning in year 4 and/or 3 (where appropriate). Have you revisited anatomy since the end of year 2?**

- **How can anatomy contribute to clinical innovation?**

- **This programme requires students to engage in self-directed learning. With reference to a previous academic example, explain why you think this will fit your learning style.**

SECTION 3: Extenuating circumstances or case for consideration

Please use this section to:

- tell us about any extenuating circumstances which may mean your academic transcripts (marks) are not an accurate reflection of ability
- present a case for consideration if your marks fall below our usual acceptance threshold (60%)

1. Have you submitted extenuating circumstances at any point during your period of study at Medical School?

Yes No

If Yes, which year(s) study did this apply to?

Year 1 Year 2 Year 3 Year 4

If you have experienced extenuating circumstances, which mean that your transcript does not fully represent your academic ability please outline here the likely impact the extenuating circumstance had on your work. (Please note – we can only accept extenuating circumstance which was reported to your school at the time in considering your application)

2. If your mean mark is less than 60% in any given year please use the following space to document why your application should be considered.

SECTION 4: bursary information

College of Medical and Dental Sciences Intercalated Awards (2020-2021)

Some bursary awards will be made to students from medicine or dentistry programmes who will be intercalating on a College-administered programme. These are awarded on the basis of academic excellence and/or financial need (depending on the source of funding). In the case of medical students, please see the Canvas [intercalation page](#); for dentistry and external students, please email mdsintercalationenquiries@contacts.bham.ac.uk for details.

Student Name:.....

Date:.....

**Please return this application form by 9:00am on
Thursday 19th December 2019**

**Your application form should be emailed to the BSc Clinical Anatomy
administrator**
