

# Are you pregnant with your first baby?

## Would you like a chance to have some **EXTRA SUPPORT** with feeding your baby?

We are looking for women to help us with this infant feeding research study.

You will be asked to fill in 3 short surveys and reply to 3 text messages/emails.

You will be given **shopping vouchers** after filling in the surveys when your baby is 8 and 16 weeks' old.

Around half will be given the chance of having some extra support from the ABA infant feeding team. Contact will be through meetings, phone calls and texts. Everyone will have the usual support with feeding their baby.

### Interested?

Please visit **[aba-feed.org](http://aba-feed.org)** to find out more, or scan QR code ►

This study is being funded by the National Institute for Health Research (NIHR).

Version 1 – 1 May 2021
