Pregnancy ANtihypertensive Drugs: Which Agent is best?

Thomas' and Birmingham Women's

Thank you **EVERYONE** for your continued commitment to the trial! 27 sites randomised at least **one** women this month - keep up the good work. Can every site try to randomise **one more woman** than last month?

Do you have any women who would like to give us input into the new video to accompany the PIL or provide a quote on 'how they have found taking part'?

If so, please let us know!

to everyone who attended the Giant PAN-DA regional meetings. It was great to put names to faces! We had 25 research team members from 16 sites join our North meeting, and 38 research team members from 22 sites join our South meeting.

The feedback was incredibly positive. You told us that you found the sessions useful overall but also were able to clarify specific points about the study.

You told us that you feel more confident about approaching women about Giant PANDA and engaging with the wider team about the trial! This is great news.

We were delighted to share information on the work we are doing on increasing inclusion of women with **multiple long-term conditions in** Giant PANDA at the regional meetings. It was very valuable hearing your thoughts on what is working well, possible barriers to inclusion and suggestions for improving representation of women with MLTC in the study. We will be sharing ways you can contribute further thoughts and suggestions soon.

The Giant PANDA team would like to introduce Hilary. She is a Research Midwife at St Thomas' and will be covering Hannah's maternity leave. She has recruited to Giant PANDA and is

a pro with outcome data! She will be working closely with Jenie and Dani to provide help and support to all sites.

Queries

Dear all,

Firstly, I want to say a massive THANK YOU for your hard work on the database and queries recently. As you will have seen, I have raised nearly 1000 queries in preparation for our DMC and TSC meetings. Within a week, this number is down to nearly 600 which is absolutely incredible!

The deadline for answering these queries is Wednesday 22nd March 2023.

If you have any questions or need any assistance with these, please don't hesitate to contact me at a.evans.10@bham.ac.uk

Thank you for your continued hard work and we can't wait to see all of these queries resolved!

Kindest regards,

Abbie Evans - Senior Data Manager
