3. Ensure the woman is prepared to consent and near a computer with her email open.

6, Let the woman know that you have sent the email and ask he r to complete the consent.

9. Print or save a copy of the 'participant consent' and 'consent attestation' forms by opening and right-clicking on form and selecting 'print' then 'save to pdf'' or print to selected printer

Continue the baseline data collection and randomisation (as required) in the usual way

You will need to ensure the woman has a way of collecting/ receiving the prescription
