UNiTY: A randomised controlled trial evaluating the
clinical and cost effectiveness of IVF versus IUI for **UN**explained infertili**TY**

Participant Consent Form Qualitative Study (HCPs)

Please initial inside each box to provide your consent to participate in each part of the study.

1	I confirm that I have read and understand the qualitative participant information sheet (version 2.0 and date 17 January 2024) for the UNiTY trial. I confirm that I have had the opportunity to take time to consider my involvement in the qualitative study and I have had the chance to ask questions, all of which have been answered to my satisfaction.	
2	I understand that my participation in an interview is voluntary and I am free to withdraw at any time, without giving a reason and without my treatment or legal rights being affected.	
3	I understand that if I withdraw more than two weeks after my interview information already collected about me may be included in the final study after being anonymised.	
4	I understand that the information collected about me will be used for medical research only and that I will not be identified in any way in the analysis and reporting of the results.	
5	I agree to the interview being audio-recorded and understand that the recordings will be kept securely by the University of Birmingham, and that everything I say will be kept confidential in accordance with the General Data Protection Regulations 2018.	
6	Data collected that identifies me by name (e.g., my consent form), will be transferred from where it is collected, and stored by the University of Birmingham Clinical Trials Unit. I agree to the transfer and storage of these data.	
7	I understand that the transcription of the audio recording may be done by a specialist UK based transcription company. This company will sign a data sharing agreement and

	my data will be handled in accordance with the General Data Protection Regulations 2018.	
8	I agree that quotes from the interview can be used anonymously in any publication of the research findings.	
9	I give permission for authorised individuals (from the University of Birmingham, transcription services, regulatory authorities or from the NHS) to have access to data collected during this research.	
10	Optional: I give permission for my anonymised data to be used in future studies or for secondary analysis. <i>Please tick Yes or No.</i> <div style="text-align: right;"> Yes <input type="checkbox"/> No <input type="checkbox"/> </div>	
11	I understand the information that I have been given about the UNiTY interview and I agree to take part.
