

**University of Birmingham
University Executive Board**

Sustainability Task Group

Agreed February 2012

Biodiversity Policy Statements

- To comply with any relevant UK legislation regarding biodiversity.
- To devise and implement an action plan on biodiversity.
- To review the action plan on a regular basis.
- To maintain and, where possible, enhance biodiversity on Campus.
- To work in partnership with environmental groups and local authorities where appropriate.
- To consider opportunities for good practice for new builds and refurbishment projects.
- To raise awareness of biodiversity.
