2.2 A Bursary will be awarded to all first-year undergraduates entering in 2019/20 who successfully complete the A2B module and meet the grade requirements of the A2B offer, which can include equivalent results (as outlined in clause 2.1.2 above). The Bursary will be awarded in the first year of study only and will be awarded in addition to the Scholarship if the Student has met the conditions for the Scholarship.

2.3 Whenever the University agrees to award a Bursary or Scholarship to a Student, these terms and conditions shall apply unless otherwise expressly excluded in whole or in part.

3.4.1 at the end of January and May of the Academic Year and

3.4.2 by BACS transfer to a bank account held by the Scholar in the United Kingdom.

3.5 For the avoidance of doubt, neither the Scholarship nor the Bursary may be diverted directly towards payment of tuition fees or accommodation fees.

4. Termination

4.1 In any of the circumstances set out in this clause below the Scholarship and/or Bursary shall be withdrawn and the University shall make no (or no further) payments:

- 5.3 If the Scholar fails to return to the University after such Leave of Absence then the provisions of clause 4 above will apply
- 5.4 The Scholarship and Bursary may normally be suspended on one occasion only and for a period covering no more than two Academic Years in whole or in part, after which the provisions of clause 4 above will apply.

6. Scholar's Obligations

- 6.1 Each Scholar shall notify FGA of any changes in personal details including specifically the bank details required for paying the Scholarship and/or the Bursary.

7. Miscellaneous

- 7.1 Scholars wishing to change or extend their Programme or period of study must notify FGA in writing by no later than 30 June in the Academic Year preceding the proposed change.
- 7.2 However, funding under the A2B scheme following a change of Programme will only be available if the appropriate entry offer has been met and for the same period as the original Programme. By way of example only, if a Student changes from a 3-year Programme to a 4-year Programme, the funding will only be available for a total of 3 years.

- 7.3 The Scholarship may be extended beyond the original period of registration if there are exceptional circumstances approved at the absolute discretion of the University.
