WHY THE UNIVERSITY OF BIRMINGHAM DUBAI?

When you choose to study at the University of Birmingham Dubai, you are choosing an outstanding student experience at a global top 100 university in one of the safest, most dynamic and diverse cities in the world.

At the University of Birmingham Dubai, you can be assured of a high-quality education at an institution with a reputation for world-leading research. We provide opportunities for you to study on a range of foundation, undergraduate and postgraduate programmes. All of our programmes are taught, examined and accredited to the same exacting high standards as those delivered on our UK campus.

Whether you already live here, or are considering it as a destination for your education, Dubai is the perfect place to live and study; a young and exciting city, known for its diversity, friendliness and dynamic economy. Consistently ranked as one of the top five worldwide countries for safety, Dubai offers opportunities to experience different cultures like few other cities on earth.

ACADEMIC REQUIREMENTS

LEVEL

FOUNDATION

• A Higher Secondary School Certificate (HSC) (also called Intermediate Certificate), with at least grade B or 70%, to include grade B or 70% in Mathematics for our Engineering and Physical Sciences pathway.

UNDERGRADUATE

• We will consider students who have taken A Level examinations and/or the International Baccalaureate (IB) for entrance to undergraduate programmes.

POSTGRADUATE

• A four year bachelor degree may be considered for entry to a postgraduate degree programme.
• A CGPA of 3.2/4 and above from a recognised Pakistani university

SUMMARY ENTRY REQUIREMENTS FOR PAKISTAN LEVEL

If English is not your first language, you will be required to provide evidence of an English Language qualification to demonstrate your ability, such as IELTS, TOEFL, PTE or alternative qualifications.

Our online Pre-sessional English programme is designed to help you to develop your English language and academic skills in preparation for your studies at the University of Birmingham Dubai. Students with conditional offers have the option of attending one of these programmes over 20, 15, 10 or 6 weeks instead of retaking IELTS.

For those joining us for 2020, we will accept the following tests as evidence of English language proficiency:

• IELTS
• TOEFL “At Home” Test
• Duolingo English Test
• Password English

Full details are available on our website: www.birmingham.ac.uk/dubai-presessional

I chose the University of Birmingham due to the world-class ranking. In addition, this region supports my future aspiration of developing a business in the tourism industry as it hosts millions of tourists from around the globe every year.

Maida, BSc Business Management

ENGLISH LANGUAGE REQUIREMENTS

INTEGRATED FOUNDATION PROGRAMMES

Choosing to study on the Integrated Foundation Year in Dubai provides an opportunity to enter the University environment before starting Year 1 of your undergraduate degree programme. The Integrated Foundation Year is available on all University of Birmingham Dubai undergraduate programmes.

## Our Outstanding New Campus in 2021

Opening in 2021, our new campus will provide an academic home for up to 2,900 students, a community for Birmingham alumni in the region and hub for community outreach and engagement activities.

The campus will include:

- State-of-the-art library, laboratories and flexible learning spaces allowing teaching and research to work in tandem.
- Dedicated student hub and wellbeing spaces.
- Located within walking distance of a purpose-built student accommodation community.
- Encouraging collaboration across all academic disciplines.
- Sheltered courtyards and social spaces creating a relaxing environment.
- A home for Birmingham Alumni across the region.

Visit www.birmingham.ac.uk/dubai-new-campus for a full campus walkthrough video.

“Masters study at the University of Birmingham Dubai is very rewarding and it can really help you in your future career. Summing up my experience in three words, I would say ‘challenging yet rewarding!’

Neelay, MSc International Business Graduate
Everyone is really friendly, the Student Services team are always willing to help with a smile. The community is really close knit and it’s really easy to meet people, socialise and make new friends.

Mishal, BSc Accounting and Finance

**SCHOLARSHIPS**

To reward outstanding achievement and to ensure our students flourish at the University of Birmingham Dubai without finance being a constraint, we are pleased to offer a number of scholarships for students applying for 2020 entry.

For further information about our scholarships, please visit [www.birmingham.ac.uk/dubai-scholarship](http://www.birmingham.ac.uk/dubai-scholarship) or email scholarships.dubai@contacts.bham.ac.uk

**COST OF LIVING**

**DYNAMIC DUBAI**

Dubai is a young and exciting city, known for its diversity, friendliness and dynamic economy. A global business hub with state-of-the-art infrastructure and technology, Dubai offers opportunities to experience different cultures like few other cities on Earth.

This dynamic city is home to startling feats of engineering such as the world’s tallest building, Burj Khalifa, as well as hundreds of international hotels and restaurants, and numerous entertainment options for all lifestyles.

If you prefer a slower pace there’s the tranquillity of deserts, mountains, calm seas and beaches where you can try your hand at diving or paddle boarding, zip-lining, trekking, dune bashing, camel riding and camping.

There’s a historic side to the city too. You can try your hand at bartering for treasures at the souks of Deira and Dubai Creek where traditional abras cross the waters, and dhows unload their cargo beneath shimmering skyscrapers.

**ACCOMMODATION**

While you settle into university life on campus, we understand that every student has different needs and considerations. Whether you choose to live in student accommodation or to commute from your home, our student support teams are with you every step of the way. There is a wide variety of safe and modern accommodation options for students near the campus.

You can find more information about accommodation on our website: [www.birmingham.ac.uk/dubai-accommodation](http://www.birmingham.ac.uk/dubai-accommodation)

The UAE is ranked within the top five worldwide countries for safety (Which? Travel magazine)

Dubai has a lower cost of living than major cities in Australia, Canada, UK and the USA (numbeo.com)
