Why did you choose to study at the University of Birmingham Dubai?

I chose the University of Birmingham Dubai because of the many accreditations and its Teaching Excellence Framework (TEF) Gold award gave me confidence in the teaching standards.

Why did you choose to study Money, Banking and Finance?

I looked at Finance courses at other universities as I want a career in quantitative financing but I found that Money, Banking and Finance at the University of Birmingham was tailor made for me.

What has your student experience been like?

I've loved my experience at the university! I was hesitant in the beginning because it's still relatively new in the UAE, but it's been amazing to find this connection with students here.

My favourite aspect of UoB Dubai is that there is a dedicated student hub where people can come together and meet new friends. The student association room is the perfect icebreaker! My advice for prospective applicants is you should go ahead and join! Its been an amazing experience for me and I'm sure they will also enjoy it!
