A guide to cricket books held at the Cadbury Research Library

Updated March 2017
A selection of cricket books held at the Cadbury Research Library: Special Collections

This is a guide to the printed rare books held at the Cadbury Research Library on the subject of cricket.

Items in this list have been found using our catalogues and indexes, or suggested by staff members/researchers, but it is not exhaustive. Some of the books listed are not yet on the library catalogue, but you are still very welcome to consult them.

If you come across other cricket sources during the course of your research held at the Cadbury Research Library that you think should be included, we would be pleased to hear about them.

We also hold archive material related to cricket (not yet included in this guide). You can search our archive catalogue for archives, and also and our book catalogue online. Our main website gives visitor information should you wish to consult any of the items we hold.
