

**KG@B 2015**  
**International Conference on**  
**Groundwater in Karst**  
**20 - 26 June 2015**

**University of Birmingham**

*John Gunn and Ian Fairchild, convenors*

<http://www.birmingham.ac.uk/generic/kgatb/index.aspx>

**Saturday June 20<sup>th</sup> 09:00-18:00.**

Workshop for consultants and professionals: *Groundwater in Carbonate Rocks*

**CONVENORS**

John Gunn, University of Birmingham & Limestone Research & Consultancy Ltd

Steve Worthington, Worthington Groundwater

**JOINING INSTRUCTIONS**

Thank you for registering for the workshop. We have put together a full programme and we would appreciate it if you could arrive well before 09:00 so we can start promptly. For directions to the university see:

<http://www.birmingham.ac.uk/contact/directions/getting-here-edgbaston.aspx>

The workshop will be held in Room 125 of the Geography building (R26, see maps on next page) which will be open from 08:30. There will be a registration desk immediately inside the door where you will receive a usb-stick with all the days presentations (as pdf files) together with all additional conference material. Refreshments will be available on arrival and during morning and afternoon breaks and there will be a buffet lunch. We are aiming to finish about 18:00 and for those who are staying on in Birmingham there will be an option to join us for a curry in the evening - and perhaps to continue our discussions! Please email John ([j.gunn.1@bham.ac.uk](mailto:j.gunn.1@bham.ac.uk)) if you wish to join us so that a booking can be made - and use the same address if you have any questions about the arrangements.

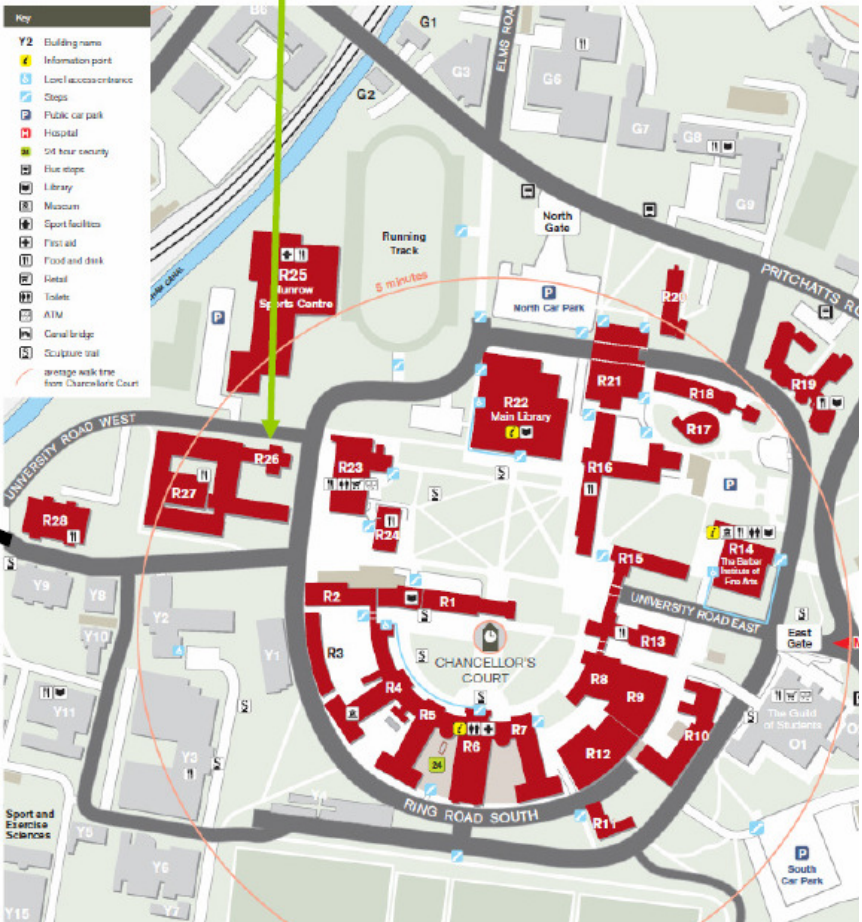

John Gunn & Steve Worthington

The workshop will be in the Geography building, R26
