

Advanced Training Course 4 Report

Deliverable 4.4

The Outreach and Dissemination Advanced Training Courses (ATC 4) was held earlier than stated in the Grant Agreement schedule as the Consortium Network felt it was better that the researchers have this training earlier as the dissemination work would be starting before February 2018. Luckily Scriptoria were able to work with us to deliver the training in Finland.

ATC Topic		Lead
ATC 4	Outreach & dissemination Outline of PANINI dissemination commitments and plans	Anna Whittaker
	Patient/Participant Involvement and Dissemination	Joanne Plumb
	Scientific Communication for non-specialists (only ESRs attend)	Scriptoria – Sandy Williams

Anna Whittaker, UOB

Joanne Plumb, UHB

Sandy Williams from Scriptoria trains the Fellows in Communicating Research to Non-Specialists

Some excerpts from feedback forms about the Scriptoria training below:

- 'Trainer is really competent and makes you feel involved.' *Barbara Iadarola (ESR11)*
- 'Really needed, since we have to prepare public engagements staff.' *Anon*
- 'Great value of information.' *Anon*
- 'Perfect, great manual and helpful.' *Anon*
- 'Excellent course. Very well delivered.' *Paul Doody (ESR2)*
- 'Very happy and satisfied with the workshop.' *Rizwan Tahir (ESR8)*
